The newest generation of the SPEC PLUS products is the GEN II series of outdoor survival knives. Designed for function by blade-master Dan Maragni, these full-tang historically based knives are water-jet-cut from 5160 steel, the steel-that-cuts-other-steel. Like other knives in the SPEC PLUS family, the GEN II products features a black texture powder coated blade, an ergonomic Kraton handle and a black tactical sheath.

Product parameters:
