This military issue version of the Kindjal served Russian armed forces well into the mid-20th century. This curved, double-edge blade was perfect as a close combat weapon. It originated in the Georgian Republic of Russia, but was best known as a Cossack weapon. High carbon steel blade, hardwood grip and full tang. Made by Windlass Steelcrafts. The Kindjal comes with a scabbard.

Product parameters:

- Blade length: 43,8 cm
- Total length: 59 cm
- Type: sharpened
