The Bestech Knives Kendo folding knife is a slim and lightweight construction that allows it to be worn as an EDC knife. The profiled G-10 handle in beige color provides good grip, and the delicate notches give it a modern style. The handle at the back has a hole to thread a link. The tanto blade made of D2 tool steel was mounted on ceramic ball bearings for smooth deployment, just press the flipper and it will rotate open. The flipper, at the same time playing the role of a guard, allows the knife to be opened easily and quickly. Liner lock. Steel clip to attach a knife to a belt or pocket.
