The VG-10 San Mai III blade is perfectly heat treated and a double grind is expertly applied. Then the surface of the blade is polished to a beautiful satin finish and the edges are honed and buffed to hair shaving sharpness! The black G10 scales are fastened to the blade tang by 6 stainless pins and expertly hand shaped and contoured.

This classic sub-hilt design fighter was first developed by Bob Loveless, one of the founding members of the knifemaker's guild. It's perhaps the quintessential combat knife. Its 8" blade offers excellent reach and incredible penetration with very little physical effort. The sub hilt practically eliminates the possibility of the hand being dislodged or coming into contact with the blade. Plus, the sub hilt facilitates rapid and effortless withdrawal after insertion.
