

Cold Steel Dagger Italian Dagger

Category:

Product ID: 88ITD

Manufacturer: Cold Steel

Price: 200.00 EUR

Availability: Out of stock

Cold Steel is a world known maker of knives, swords and other edged weapons and tools, all products are made of best available materials. Company was founded in 1980 by company president, Lynn C. Thompson. The company's products include fixed blade knives, folding knives, swords, machetes, tomahawks, kukris, blowguns, walking sticks, and other martial arts-related items.

[See it in our store.](#)

Since our Italian Long Sword is light and well balanced enough to use in one hand we thought we'd offer a companion dagger to take the place of a shield, targe, or buckler. Scaled down in size but almost identical in appearance, its sharply tapered, double edged blade slightly favors attacks with the point over the edge and is stiff and strong enough to parry any sword.

Product parameters:

- Total length: 49 cm
- Blade length: 32 cm
- Handle length: 17 cm
- Steel: 1055
- Weight: 485 g
