The next step up in the Razor Tek series features a 5 inch recurve blade. A recurve blade gives the benefits of a longer cutting edge and belly at the front. This blade shape offers the benefits of cutting when drawing or pulling the blade through. A great mid size fixed blade for game processing, Bushcraft, food prep, chopping and slashing. Combining the blade shape with a highly ergonomic, textured grip this knife is ready for your next outdoor adventure. Includes Secure-Ex sheath.
