The Cold Steel SRK in San Mai features a tremendously strong clip point blade that's fine enough for delicate work, yet possesses enough belly for efficient cutting, slashing and skinning strokes as well. And, at 3/16 of an inch thick, the SRK offers the sturdiest possible point and edge configuration, without sacrificing sharpness. The SRK's handle sports a single quillon finger guard and a deeply checkered Kray-Ex grip. If you want a knife you can bet your life on, and is reasonably priced, check out our SRK it's the knife for you.
