Discover the Mayhem by Cold Steel – a modern knife that redefines expectations for a versatile and powerful tool. Engineered with precision and attention to every detail, the Mayhem is the perfect blend of cutting performance, durability, and ergonomic design.

At the heart of this exceptional knife is an impressive 6-inch cleaver-style blade made from high-quality AUS10A steel. Renowned for its outstanding edge retention and corrosion resistance, AUS10A steel ensures the Mayhem excels at any cutting task. The 4mm thick blade delivers unmatched strength and stability, making this knife the ideal choice for heavy-duty work and demanding applications.

The Mayhem's handle is crafted from durable and lightweight G10, providing a secure grip even in wet or slippery conditions. Whether you're slicing, chopping, cutting, or performing precise maneuvers, the G10 handle offers maximum comfort and control.

Mayhem is not just about power – it's also about safety and ease of use. The knife features a reliable Atlas lock mechanism, allowing for easy and intuitive blade deployment and closure. The Atlas lock system ensures the blade remains stable during use, eliminating the risk of accidental closure and enhancing user safety.

Versatile, rugged, and designed for top performance, the Mayhem by Cold Steel is the perfect knife for adventurers, hunters, survival enthusiasts, campers, and everyday users. Whether you're facing outdoor challenges or handling daily tasks, the Mayhem will exceed your expectations and become an essential part of your gear.
