---

Cold Steel is a world known maker of knives, swords and other edged weapons and tools, all products are made of best available materials. Company was founded in 1980 by company president, Lynn C. Thompson. The company's products include fixed blade knives, folding knives, swords, machetes, tomahawks, kukris, blowguns, walking sticks, and other martial arts-related items.

[See it in our store.](#)

The Cold Steel SRK (Survival Rescue Knife) has been a proud flagship blade in our line-up for over 25 years. The knife of choice for many of our brothers and sisters in the military, it remains the standard issue fixed blade of the Navy SEALs during BUDS training to this day. Its little wonder then, that when we tasked custom knife maker Andrew Demko with developing a new high-end tactical folding knife for military application, that he took inspiration from the legendary SRK! The SR1 features Andrews signature minimalist style, with no unnecessary flourishes or embellishments, just pure functional, no-nonsense, practical design. The SR1s heavy duty blade is made to put to work. Crafted from 5mm thick American CPM-S35VN premium powdered steel, its a heavy duty work horse, designed for the harshest and most unforgiving environments. A good blade needs a good handle, so the SR1s handle is made from premium G-10 with heat treated nested steel liners. With an integrated lanyard hole and coarse-textured surface for a secure grip even in cold, wet conditions, and expertly contoured to allow for a comfortable and safe grip even while wearing heavy gloves. For added reliability and peace of mind, we equipped the SR1 with our world-famous Tri-Ad locking mechanism - proven time and time again to weather even the worst abuse, with unparalleled shock and impact resistance - making this knife the ideal choice for a survival rescue blade intended for our nations warrior elite!

### Product parameters:

- Weight: 198 g
- Blade thickness: 4,8 mm
- Blade length: 10,1 cm
- Closed length: 13,6 cm
- Total length: 23,8 cm
- Steel: S35VN
