Cold Steel is a world known maker of knives, swords and other edged weapons and tools, all products are made of best available materials. Company was founded in 1980 by company president, Lynn C. Thompson. The company's products include fixed blade knives, folding knives, swords, machetes, tomahawks, kukris, blowguns, walking sticks, and other martial arts-related items.

[See it in our store.](#)

While not significantly lighter in weight, our SR1 Lite is indisputably lighter on the wallet! Made to mimic its big brother in every respect with the exceptions of having substituted the G-10 handle with a Griv-Ex™ one, and using the more affordable 8Cr13MoV blade steel. It still comes razor sharp and ready for your toughest task or biggest adventure.

Product parameters:
