The Cold Steel Recon Hawk was designed by the famous knife designer Andrew Demko. The hawk is made of one piece of 65Mn carbon steel, with a cutting and chopping edge on one side, and a solid spike on the other. The set includes a sheath that protects the sharp edges of the hatchet. The Recon Hawk is perfectly balanced for throwing! The non-slip linings of the handle are made of nylon with a rough surface that guarantees a firm grip.

Product parameters:

- Total length: 44,5 cm
- Blade thickness: 0,5 cm
- Handle length: 24 cm
- Steel: 65Mn Carbon
- Weight: 680 g
