Our AK-47 series of blades have set the standard for hard-use tactical folders. A firm favorite with military personnel and special units, these rugged folding knives have seen use all over the world and in several conflict zones. When we decided to explore designs for a multi-purpose fixed blade field knife that would be suitable for military use, we kept coming back to our classic AK-47 design. Designed by Andrew Demko, the AK-47 Field Knife is enormously sturdy. Expertly crafted from CPM3-V steel, the AK-47 Field Knife is then DLC (Diamond like Coated) from the tip of its beefy saber ground clip point blade through its full tang and integral steel pommel ensuring a hard wearing, super tough finish. Supplied with a versatile Secure-Ex sheath, the AK-47 Field Knife is the perfect companion for today's modern Military personnel.
