In almost every respect, the Recon Scout® is simply a 7 1/2 inch Trail Master® Bowie. It offers the same steel, heat treatment, blade thickness, blade shape, and handle.

Unlike other combat knives, the Recon Scout's® broad clip point is highly resistant to bending or breaking. It's ideal for long range cutting and slashing. Additionally, the blade is equipped with a slightly concave false edge that measures approximately 3 1/2" long.

Like the Trail Master®, the Recon Scout® has a slight curve along the entire length of the blade. This curve allows the blade to be used in a draw cut as well as a chopping stroke. Plus, the extra curve near the tip provides plenty of "belly" for emergency field dressing and skinning.

The Recon Scout comes complete with a tough Cordura sheath.

Product parameters:

- Blade length: 19,1 cm
- Handle length: 12,7 cm
- Total length: 31,8 cm
- Blade thickness: 8 mm
- Weight: 360 g
- Steel: VG-1 San Mai III
- Scabbard: Cordura
