As a ranch owner and outdoorsman, Steve Austin is a proud proponent of the carry and use of a good working knife. For him, a blade is a tool first and foremost, and whether he's working on his famous Broken Skull Ranch in Texas or on a movie set in Hollywood, he's always the guy with the knife! From the tip of its cryo-quenched German 4116 steel drop point blade to the butt of its tough GFN polymer handle, the Working Man™ is designed to offer high performance at an affordable price. Available in 3 colors, each Working Man™ is equipped with our revolutionary Tri-Ad locking mechanism, offering unparalleled strength, safety and shock resistance. The Working Man also features a wide lanyard hole and fully ambidextrous reversible pocket clip making it a breeze to carry and use in the field. If you have been looking for an inexpensive pocket knife that isn't afraid to put in hard work - your search is over!
