The Super Edge is a hard working, sheath knife in the very smallest package available. This rugged little workhorse can cut through the tough materials that would make a bigger knife "choke". It's diminutive overall length and feather light Secure-Ex sheath make it a natural for attachment to a key ring, zipper pull, "D" ring or belt loop. It's so light and comfortable to carry you'll never notice it when it's casually looped around your neck, conveniently laced to your shoe or cunningly pinned inside the crown of your hat.

Comes complete with Secure-Ex sheath
