The Cold Steel Voyager series is designed to be the true "everyman" knife. Lightweight, comfortable, and super sharp, they are rugged, dependable and perfect for hunting and camping as well as general utility and daily cutting chores. Voyagers excel in many survival and rescue applications, and they have proven to be very popular with Police and Military personnel, who appreciate the combination of the cutting performance and safety that they offer. Each knife in our extensive Voyager series is precision engineered and held to our most exacting standards. The Voyager series features Japanese AUS10A Alloy Blades, and our Tri-Ad locking mechanism - which is quite possibly the most secure, safe and shock resistant lock on the market today! The Voyager's ergonomic Griv-Ex handles (reinforced with heat treated 6061 aluminum liners) provide both great comfort and a secure grip even under extended use in tough conditions. Available in two sizes and with numerous blade and edge configurations, there's a Voyager for everyone.
