This centuries old blade style is very popular in Central and East Africa as well as parts of South America. This is because of its nearly inexhaustible, "all-around" versatility. It cuts, chops, and slashes like the best of them, plus, it possesses a sharp enough point to make it useful for piercing and performing more delicate utility jobs usually left to a smaller knife. It is available in 12 and 18-inch blade lengths and comes complete with a Cordura sheath.

Product parameters:

- Weight: 453 g
- Blade thickness: 3 mm
- Blade length: 30,5 cm
- Handle length: 14,3 cm
- Steel: 1055
- Total length: 44,8 cm
- Scabbard: Cordura

Cold Steel is a world known maker of knives, swords and other edged weapons and tools, all products are made of best available materials. Company was founded in 1980 by company president, Lynn C. Thompson. The company's products include fixed blade knives, folding knives, swords, machetes, tomahawks, kukris, blowguns, walking sticks, and other martial arts-related items.
