Our Bowie Point Machete is quick, fast and lively in the hand, which makes it an outstanding slashing blade and admirable chopper. But its most winning attribute is its clipped point, which makes it an excellent piercing tool. It will penetrate just about any obstacle in its path and will lend itself to knife-like utility jobs when a smaller handier blade is unavailable. It is available in 12 and 18-inch blade lengths and comes complete with a Cordura sheath.
