The name translates to terrible in Latin. Terrible indeed, as the Atrox Knife sports an 11" blade with a clip point that is a combination fighting survival tool that works double as a machete or a self-defense weapon. Dual Micarta gives it an interesting look, but don't get fooled by aesthetics, it's ready to do ugly work right away. Comes with kydex sheath with leather belt loop.

CONDOR TOOL & KNIFE traces its proud history back to 1787, the year GERB WEYESBERG COMPANY was founded in Solingen, Germany.

The quality of the swords, military knives, agricultural tools and household cutlery they manufactured made Solingen the cutlery capital of the world. Over the generations, the world's largest manufacturer of swords and knives found it necessary to expand operations to other countries to better serve its customers.
