The piercing point of the CQC-7 and the graceful cutting efficiency of the Commander - this is what you get with the CQC-15. This knife with a comfortable, secure, ergonomic handle gives you the best of both worlds. The CQC-15, called the Tant-Com is truly one helluva knife. It features a tanto/recurve blade combo that suits its use in any environment, from the boardroom to the deployment staging area. This knife has already hit the streets of Baghdad and has been moving quick and quiet. The CQC-15 Tant-Com is a sturdy, aggressive knife that will definitely get you out of a jam if you ever need it. The CQC-15 features our Patented "wave shaped opening feature" or Remote Pocket Opener. In an emergency or injury situation the knife can be opened with one hand as it is drawn from the pocket. Black-T coated 154CM stainless partially serrated modified tanto blade with radial thumb lug and Wave feature. Black G-10 handles with black finish stainless pocket clip. Lanyard hole.
