The CQC-7B is by far the most sought after folding knife of all time. It is the razor sharp chisel ground knife that has become the standard by which all hard-use folding knives are now judged. This is the knife that revolutionized the entire cutlery industry. Every knife company has their version of this knife but they fall far short when compared to the "real deal." 154CM premium steel chisel ground tanto blade with radial thumb lug and wave feature. Black G-10 composite handles with black coated stainless pocket clip.
