The CQC-8 model has long been considered one of the best combat designs that I have ever produced. I agree. The ergonomics and blade design have merged in the knife to form the perfect union. Perfectly balanced in both a forward and reverse grip, the CQC-8 is a battle-hardened veteran that you want at your side. Now with the Emerson "wave shaped feature", the CQC-8 has evolved to meet the demands of those who need a knife that will protect and serve - Anytime - Anyplace.

Black-T coated 154CM stainless standard edge blade with radial thumb lug and wave feature. Black G-10 composite handles with lanyard hole. Stainless pocket clip.

Product parameters:

- Total length: 23,5 cm
- Blade length: 10 cm
- Blade thickness: 3 mm
- Hardness: 57-59 RC
- Weight: 130 g
