This is the Emerson Mini Commander - a smaller and more pocket friendly Commander. It has the "wave shaped feature" and is just as formidable as its full sized father. Strong as a Bull Moose and tough as nails. The Mini-Commander features our Patented "wave shaped opening feature" or Remote Pocket Opener. In an emergency or injury situation the knife can be opened with one hand as it is drawn from the pocket. 154-CM stainless plain Black-T coated blade with radial thumb lug. Black G-10 handles with Black-T coated stainless pocket clip. Lanyard hole.
