The Police Utility Knife fulfills all of the needs for an Emerson - designed fixed blade for police and tactical utility applications. Members of the British SAS have said, "Now this is the knife we've been waiting for." Because of the design features of this knife it is perfect for the serious off road trekker, and I mean from Afghanistan to the Belgian Congo. The knife features a short, stout blade with an extremely strong V grind and is honed to razor sharpness. The handle features a deep guard and positive thumb ramp designed to provide a "no slip forward" safety grip for the knife. 154CM premium steel clip blade with an extremely strong V-grind, honed to razor sharpness. Full tang construction with lanyard holes. Black Kevlar-reinforced polymer handles feature a deep guard and positive thumb ramp designed to provide a "no slip forward" safety grip for the knife. Ballistic cloth sheath with Kydex insert. The Police Utility Knife fulfills all of the needs for an Emerson-designed fixed blade for police and tactical utility applications.
