A three-part set of accessories of the Polish Army. The original 3-part contractual toolkit of the Polish Army. Each cutlery has an embossed WP-10 signature. A classic, easy to assemble set containing a spoon, fork and serrated knife. In addition, the knife has a bottle and cans opener, it can be used as a handle for a Polish military mess tin - which prevents burns from a hot dish. After folding the set (inside the knife linings) the toolbox takes up little space. Handy and durable, made of polished stainless steel, easy to clean.

Blades / additional functions:

1. Serrated blade
2. Can opener
3. Bottle opener
4. Tin can handle
5. Soup spoon
6. Dinner fork
