Gerber Urban Legend Multi-Plier 700

If you woke up this morning thinking you need to own the truest and purest form of Gerber innovation in a multi-tool, chances are you were dreaming of the Urban Legend. It's the tool with features to burn. Starting with patented replaceable tungsten carbide cutting inserts that easily have their way with wire and the like.

Another standout feature of the Urban Legend is our ergonomically contoured aluminum handles, with the extra gripping power of tactile rubber inserts. This maximizes your comfort as well as your control.

There are a total of nine stainless steel tools on the Urban Legend. Which is more than enough to tackle the tasks that come your way. And by the way, those needle-nose pliers are spring-loaded for easy opening. A handy ballistic nylon sheath is included.
