The Knight's sword is probably the most recognizable sword design in history. The simple cross guard and weighted pommel provided an ideal combination of protection and balance that was to serve the knights of Europe admirably for several centuries.

These letter openers from CAS Hanwei are the perfect functional accent to any home or office decor. Crafted in steel with a distinctive antiqued patina, each piece is a small version of one of our full-sized swords and represents a style unique to its own time in history. Each is provided with its own stand and is packaged with a card detailing its origins.
