

## Hanwei Pipe Hawk (smokable)

### Category:

**Product ID:** XH2119  
**Manufacturer:** Hanwei  
**Price:** 129.00 EUR  
**Availability:** In stock

[See it in our store.](#)

Replicating a museum piece from the days of trade between the French fur trappers and the American Indians, our Pipe Hawk (XH2119) is fully functional both as a hatchet and a pipe, with a steel blade, bowl and mouthpiece. As in the original, a reaming pin (for clearing the smoke passage) is concealed in the head of the end of the shaft.

### Product parameters:

- Total length: 46,3 cm
- Weight: 340 g
- Blade thickness: 7 mm
