

Hanwei Practical Viking sword

Category:

Product ID: SH2047
Manufacturer: Hanwei
Price: 195.00 EUR
Availability: In stock

[See it in our store.](#)

Our Practical Viking sword is tailored to the needs of the re-enactor and very affordable. Featuring authentic hilt styling, with fully tempered un-edged and un-pointed blades, these swords are made to withstand rugged use while providing the level of safety required by many of today's re-enactment societies. It features a classically simple hilt, with a permanently-mounted grip and riveted tang for safety. The blade is fullered for balance and features 1/16" edges and a rounded tip. The scabbard is fabricated in a glass-filled resin, to provide great impact resistance, to eliminate swelling and to minimise blade corrosion problems. The wood grain finish is attractive, but is left unfinished for owner customization.

Made for the re-enactor
Authentic look and feel
Complies with safety requirements
