Silver inlaid buffalo horn is the handle material of choice for Hanwei's Quandong Folder. The form of the folder originated many generations ago in the Quandong (or Canton) Province, but the button lock, from designer Paul Chen, is strictly a modern twist. The Quandong represents influences of nature in the design with its egg plant shaped handle and bamboo leaf shaped blade. A truly interesting piece for the collector and knife enthusiast.

Product parameters:

- Total length: 17,8 cm
- Blade length: 7 cm
- Handle length: 10,2 cm
- Weight: 99,2 g
- Blade thickness: 2,8 mm
