

## Hanwei Tinker Early Viking Replacement Blade - Sharp

### Category:

**Product ID:** OH2419

**Manufacturer:** Hanwei

**Price:** 155.00 EUR

**Availability:** Out of stock

[See it in our store.](#)

Although the Tinker Viking swords have riveted tangs, Hanwei is nevertheless offering replacement blades for those wishing to either replace a severely worn blade or wishing to build a custom Viking sword. This is a replacement blade for the sharp version of the Tinker Early Viking Sword (SH2408), but it can also be adjusted on the blunt format (SH2409). These replacement blades do not have a thread.

### Product parameters:

- Steel: 5160
- Blade length: 78,5 cm
