[See it in our store.](#)

Our War Axe is based on a 16th century original. It was an aristocratic cavalry weapon, capable of rending mail and piercing the heaviest of helms. Built to match our 7-flanged mace (SH2045), the War Axe has a forged blade, tapered tubular shaft (for balance) and a wire-wrapped, spiral bound grip.

Authentic styling

Fully functional

Matches the 7-Flanged Mace (XH2045)
