[See it in our store.](#)

The Puukko™ features a beautiful dyed curly birch handle with a 3.75" razor-sharp forged finish dark carbon steel blade. (The picture shows polished blade but this knife now comes with the black forged finish look. The handle is also now the same as the Wolverine in shape) This knife also has a full-tang construction with a brass bolster. These Puukkos are hand made in Finland. The knife comes with a beautiful dark brown leather sheath which is stamped with the Puukko™ logo.

Product parameters:

- Blade length: 9,5 cm
