Introducing the new SPT™ blade! A knife that embodies the spirit of the wolverine, well respected for its cunning and ferocious hunting abilities.

Introducing the new Wolverine – it's 1" shorter than the original for small tasks, caping and carving. This 3" blade is easy to control and super sharp, with the same comfortable handle and SPT carbon steel as the very popular Wolverine.

Handle: Stained Curly Birch. Sheath: Dark Brown Leather.

Be among the first to order these new knives and get a numbered model – the First 100 are serial numbered – first orders get the lowest numbers. We want you to get one of the first of these new knives. So order now to get a low number or the number you would like! If you have a 'lucky' number – just let us know. If it's available, it's yours.
