Leatherman Tool Group of Portland, Oregon, USA is a manufacturer of high quality line of multitools and knives. Their first multitool was called the PST (Pocket Survival Tool). Leatherman's primary product group is multi-tools but they also make knives. All tools have 25-year manufacturer guarantee.

[See it in our store.](#)

A large lockback folder under five ounces, the Leatherman Expanse e55/e55x is sleek and functional for those who know premium materials and excellence in engineering. It has a stainless steel reinforced handle, 154CM blade, and hidden carabiner/bottle opener for when you need a knife, and you don't need a tool. Slim, simple, and substantial, sometimes that's all you need.
