Leatherman Charge TTi

The Charge AL and ALX were just too hard to beat, so we didn't even try-we simply combined them. The Charge TTi features a cutting hook, scissors, outside-accessible blades, bit drivers, crimpers and more. But we had to give the TTi its own claim to fame. That's where the comfort-sculpted titanium handles and the S30V stainless steel clip-point knife come in. Grab a hold of one today and you'll quickly see why the Charge models are the pinnacle of our multi-tool collection.
