### Category:

**Product ID: 831121**

**Manufacturer: Leatherman**

**Price: 45.00 EUR**

**Availability: Sold Out**

[See it in our store.](#)

The first thing you'll probably notice with the Leatherman Freestyle is opening the outside-accessible blade is easy and fast, just like a pocket knife. When you unfold it and use the pliers you'll understand that when something is engineered correctly, power isn't a matter of size, but a matter of years of design expertise. Freestyle is great as a stand-alone tool or a companion for those activity-specific tools that don't feature pliers or a knife.

- 420HC Stainless Steel, Clip Point Combo Straight/Serrated Knife
