Leatherman Tool Group of Portland, Oregon, USA is a manufacturer of high quality line of multitools and knives. Their first multitool was called the PST (Pocket Survival Tool). Leatherman's primary product group is multi-tools but they also make knives. All tools have 25-year manufacturer guarantee.

See it in our store.

With a slightly thicker body than the Cs4, the Leatherman Juice Xe6 has it all. Our beefiest in the Juice line, it's still great for small hands and spaces, and is one of three to feature a corkscrew. So saw away some branches to set up the perfect picnic spot, tighten up those picnic chair bolts, bring out the vino and slice up some cheese and crackers. The Juice Xe6, is there anything it can't do?
