The sleek new Leatherman Skeletool CX gets you back to basics... very cool basics. The Skeletool CX has only the most necessary of multi-tool features, because sometimes that's all you need. With a 154CM combo stainless steel blade, pliers, bit driver, pocket clip and carabiner/bottle opener, you're set. Lightweight, low volume, perfect size. The Skeletool CX: Who says more is better?

Skeletool CX is 2008 Gear of the Year by National Geographic Adventure.
