Based on the classic dagger design and beautifully balanced, this knife was the preferred commando weapon in World War II for both the U.S. and British Commonwealth Forces. Our high quality reproduction is made by Windlass Steelcrafts with a heat tempered, hand forged high carbon blued steel blade and hand fitting ferruled blackened metal grip. Comes with top-grain black leather sheath with blued steel tip guard, 2-1/2" belt loop slots, black elastic retention strap and 4-sew tabs (used to sew sheath to uniform or equipment). Weighs just over 11 ounces. Cannot ship to CA or MA.
