The Paratool is the only multitool in the world with angled plier head capability. The unique, patented way the Paratool opens creates smooth comfort grip handles as well as the ability to operate at a variety of angles (140 to 180 degrees) indispensable in tight spots. The comfort grip handles are smooth on the outside and feature SOG's classic ventilation holes for maximum gripping. Includes: plier/gripper, wire cutter, knife blade, serrated knife blade, small/med/large screwdrivers, Phillips screwdriver, three sided file, can/bottle opener, awl, rulers, lanyard ring. Dual Mounting Nylon sheath.
