Byrd Knives focus on providing value, variety and high quality. The new Crow 2 join the line-up offering high-performance G-10 handled folder at a reasonable cost.

As handle materials go, G-10 laminate is grip-grabbing and lightweight while it shakes off temperature extremes, chemicals and hard use without discoloring, warping or peeling. This makes it highly prized for knife handles.

Modified Clip-point shaped blade is made with CTS-BD1 steel. Running the handle's full length, tucked inside, are steel liners for additional strength and a LinerLock.

### Product parameters:

- Total length: 16,8 cm
- Blade length: 7,1 cm
- Steel: CTS-BD1
- Weight: 100 g
- Blade thickness: 4 mm
- Closed length: 9,8 cm
