This letter opener is an authentic miniature reproduction of Bilbo Baggins' Sting sword as seen in the The Hobbit movie. It measures approx. 23 cm in length and comes in a wooden box with opening glass lid.

Christened by the spiders of Mirkwood forest Sting was a little more than a knife to the Elven craftsmen who forged it but was the perfect size for a Hobbit's sword

This version of the sword lacks the Sindarin script that was engraved on the hilt and the blade at a later date. Presented in a wooden collectors box this is a fine letter opener and magical gift!
