Knifemaker extraordinaire Gil Hibben continues to design exceptional knives made for hard everyday use and the Gil Hibben Old West Bowie Knife - Bloodwood Edition takes it even further! Take it with you into the most untamed environments and use it under the harshest conditions. It has a keenly sharp, 14" stainless steel clip point blade with a high-polish finish and a beefy profile. The red-brown, natural-look wooden handle is complemented by a gold-plated blade catcher and handguard. A custom leather belt sheath protects and stores the massive bowie knife. This is a BudK Exclusive design, which has been reimagined by Gil Hibben, and brought back for a very, very limited time. Don't let this one get away!
