These multi-function MotorTools from Harley-Davidson feature the patented, revolutionary Compound Leverage System. Constructed with multiple pivot points that generate greater handle travel in relation to plier movement, which means by using the same hand strength, you will generate twice the wire cutting and plier gripping strength than with other conventional designs. The handles and implements are constructed of hardened stainless steel for a lifetime of use. Features a variety of functions for use on the road or at home.

Functions: Needle nose pliers/grippers, wire cutter, 1/2 serrated clip blade, Phillips head #1 screwdriver, file, U.S. & Metric ruler, can opener with a small standard screwdriver tip, awl, and a bottle opener with a medium standard screwdriver tip.

Sheath: Reinforced black nylon with a velcro closure.

Product parameters:

- Closed length: 10,5 cm
