Renowned knifemaker Gil Hibben has been designing and producing top-quality edged collectibles for more than fifty years. Wesley has been making and designing custom knives for more than 25 years. For the first time ever, Gil and Wes have teamed up to create this priceless collectible. This adult collectible offers a 5 7/8" razor-sharp, 7CR17 stainless steel blade with a sharp, spear-point tip. Polished black micarta handle scales wrap the full-tang blade for a stylish, smooth grip. A raised thumb rest on the back of the blade and a trigger-finger grip allows for excellent control when wielding this knife. Each blade is laser serial-numbered and etched with Gil & Wesley Hibben's signatures for authenticity. Includes a custom leather sheath stamped with the Hibben Knives Custom Design Series logo. This unique collectible should be passed down for many future generations to enjoy.
