Always expanding its armory with something exceptional, Honshu has designed a Kunai Set that you're definitely going to want to add to your armory! Each has a one-piece, 7Cr13 stainless steel construction with a partial blood groove and a 7 1/8" edge going down to a target-penetrating point. The handles are wrapped in black, waxed cotton cord for a no-slip grip, when throwing, and each features an open-ring pommel. All three of the throwers can be stored and carried in a tough, nylon belt sheath, which has a snap strap closure to secure them.
