Part of the Honshu Midnight Forge Series, this Single-Hand Sword was crafted using a time-tested sword design with modern engineering, giving you perfect blade-to-hilt balancing. It has a sharp 30 4/5", 1065 high carbon steel blade with a black finish, which extends from a polished black handguard. The wooden handle is wrapped in black leather and the hefty pommel is black steel. The 40" overall sword slides smoothly into a black leather scabbard with metal accents. Honshu continues to expand its exceptional sword line and this sleek, tactical broadsword is a must-have for your collection!
