Kit Rae, well-known fantasy artist and weapon designer, crafted Kilgorin, a high quality sword from his epic mythological tale "The Tale of the Swords of the Ancients and Other Blades of Power", and at your request, he is reissuing it! Kilgorin, the Sword of Darkness, was the second of the ten mighty swords forged with special and unique powers to maintain order and harmony in the fantasy world of Ammon. Kilgorin possessed the power to give its wielder the ability to cast darkness and enchantment over enemies. Measuring 36" overall, this sword features an intricately detailed and distinctive cast metal pommel and guard with an antique silver finish. The ridged ABS handle is wrapped in genuine black leather. Blade is satin-finished, 3Cr13 stainless steel with a deep etched runic design. This item comes with a certificate of authenticity and an 45 x 62 cm full color art print, "Vaelen Confronts Darkness".
