The sword of Theodred, fallen son of King Theoden. Theodred 's sword was the mate to the sword of Eowyn, his cousin. It was virtually identical, except for its green enameled hilt and green leather grip. This authentically detailed sword replica is a reproduction of the actual filming prop sword crafted by Weta Workshop of New Zealand and used in THE LORD OF THE RINGS: THE TWO TOWERS™ film presented by New Line Cinema. This meticulously detailed sword, with an overall length of 36 1/2", features a solid metal guard and pommel with an antique brass plated finish and a tough TPU grip. The 30 1/8" false-edged blade is crafted of tempered stainless steel with a wide filler groove. Each sword is individually serial numbered and presented with a wood wall display and certificate of authenticity.
